## Shannon Reynolds Memorial Endowment Fund Donors

Shannon Reynolds Memorial Endowment Fund was set up by Shannon's family after her untimely death. Shannon was a strong supporter of Canadian theatre and, in particular, works by Canadian playwrights. She was honoured to have had the opportunity to pursue her love for creative arts and to develop her own artistic voice through her association with GCTC.

The Fund supports GCTC projects on the creation, development or production of new Canadian works, with a particular emphasis on female voices.
